WHAT CAN WE OFFER?

For over 85 years our coaches have been a well-known appearance on the European roads. Due to the collaboration with renowned tour operators, our drivers know their way to and around many different destinations. In addition, our organisation is capable of organizing your trip perfectly.

OUR SPECIALTIES:

- **Transfers and event transport**

Eindhoven is a beautiful and blooming city. It is located in a central region, which makes it easy to reach many different destinations. In case you have an exhibition in Düsseldorf, an event in Antwerp or a business trip to Amsterdam, we can arrange the transport perfectly for you. On annual basis, we provide many transfers for events in the whole region. This includes not only transport, but also the complete coordination during the event.

- **School trips**

The Efteling, Toverland, Movie Park or Phantasialand: for every destination and group size you will receive a proper proposal according to your request. We understand that you are looking for the best price/quality ratio. Please discuss with us the details regarding your trip and we will definitely come to an agreement. If you are looking for the organization of your multi-day school trip abroad, then you have found your top-quality partner. In collaboration with our partners, you can benefit from our knowledge and professionalism of many different destinations, such as London, Paris, Prague, Barcelona, etc.

- **National and international day trips**

Our experienced drivers are ready to provide a fantastic day full of travelling, composed and prepared by our day trip specialists. You might have already seen many different destinations and cities, but in our day trip brochure you will definitely find new and exciting activities or destinations for your group. Let yourself be inspired!

- **Multi-day group trips**

Together with our partners we can organize your desired group trip abroad. We prefer travelling by coach naturally, but some destinations require travelling by plane. This is also something we can organize for you, under perfect conditions. Please contact us to discuss the possibilities!

OUR FLEET OF COACHES

Annually, we invest in quality and comfort for our customers. Our fleet of coaches consists of more than 80 coaches, which are all very modern. Facilities like air-conditioning, DVD/radio, a fridge, adjustable seats with folding tables, a toilet (with the exception of our midi-coaches) and more are available in our coaches. A selection of our vehicle types:

- **Midibussen**

We own multiple midi-coaches ranging from 16 up to 25 seats, very suitable for smaller groups. Equipped with refrigerator and sufficient luggage space.

- **Luxurious coaches**

Beautiful coaches with comfortable seats: that's what we're offering! Capacities from 36 seats to 66 seats. Always the perfect setup for your group.

- **For guests with a disability**

Our fleet has no less than 10 wheelchair buses. The wheelchair lift ensures that the disabled guest enters the coach in a safe and comfortable way and can travel together with the group.

- **Double-deck coaches**

The 10 largest vehicles in our fleet: the double-deckers. Up to 90 seats, the right solution for a large group, seating arrangement with seat spacing as desired. Often equipped with a trailer for extra luggage capacity.

- **First and VIP class coaches**

Just that little bit more luxury: opt for our luxury First Class coaches with 2 + 1 configuration with wide leather armchairs, our super luxury VIP coach with leather round seat or the PSV player bus. A travel experience you will never forget!

WHAT ELSE CAN WE DO FOR YOU?

Complete organization of your day trip or multi-day trip

In consultation with you, we can organize even more than just the transport by coach, such as:

- Hotel stays
- Entrance tickets for a theme park or musical
- Lunch or dinner
- City guides

Nothing is impossible! Please contact us for more information.

Flight tickets and air travel

Our IATA-affiliated partners take care of your flights and customized flight trip. Besides the flight tickets themselves, we can compile your trip tailor-made. Our travel advisors would gladly make an appointment with you, to discuss the many possibilities!

Taxi transport and full coordination

We can arrange the transportation of your event down to the last detail. Do your guests arrive with different airplanes at different airports? No problem, we compile the complete transport plan from the moment your first guest arrives at the airport until your last guests departs from home. Everything is possible!

Unburden yourself via our customer portal

Our main purpose is to 'unburden' our customers. This means that we want to make it as easy as possible for you, with no worries involved. Our customer portal serves this purpose. In this portal you can submit your requests, but also administer former trips, invoices and other items. We would love to demonstrate the possibilities!
